## From Here to Integrity:

### It's The 'Whole' Journey That Matters

**Featuring:** Mark Venning & Heather Turnbull

If your organization operates with integrity, do you really have to broadcast it, or does the “wholeness of your action” embody it?

Perhaps in these cynical times when the media ‘trumpet’ may cast doubt on leaders and their organizations, **it's time to take an Integrity Audit!**

On May 5<sup>th</sup>, join other Think Camp leaders in an exploration of how integrity shines like a laser light through your whole organization – its governance, operations and finance as well as leadership, market relationships and your ultimate brand.

This 3½ hour Think Camp combines breakfast and round robin networking with facilitated discussions on the Integrity Audit, a case study analysis, and a multi-faceted panel:

**John Chisholm** – CEO, *SB Partners*

**Rhonda Singer** – President, *Noanda Enterprises Ltd.*

**Dianne Hunnam-Jones** – District President, *Robert Half Canada Inc.*
